*Style, Choice & Value*

**FOR  
YOUR**

# GARDEN

*For over 40 years we have been supplying hard landscaping  
both to the retail and trade.*

**June 2021 Price list - FREE Local Delivery on orders over £50**

## About Us...

**B & M Concrete** was first established in 1981.

We began our business in a small yard on the corner of Derby Road in Ipswich manufacturing concrete slabs and selling sand and cement.

Within three years we had outgrown our premises and moved to Felixstowe Road where we carried on manufacturing. We began to buy in other products to supply not only our trade customers, but also members of the general public.

In 1989 we moved once again to premises beside the golf course at Waldringfield and in 1998 we purchased our own site in the village of Kirton and remain there to this day.

B & M Concrete became a limited company in 2003 and is now a family run business. We have a fleet of seven delivery vehicles and now stock an extensive range of landscape products and garden ornaments. We deal with some of the country's leading brands, including Castacrete, Supreme & Cemex. We also import products direct from India.

We are happy to quote for materials on any scale and although we do not carry out landscaping work ourselves, we are always pleased to be able to recommend qualified landscapers who will give free quotes with no obligation.

### *How to find us!*

Take the A14 towards Felixstowe and exit at junction 59. Follow the road towards Kirton village (approximately 2 miles). Take the first right after the school onto Back Road. We are approximately 200 metres down on the left.

# EASYJoint

The all weather jointing compound

The **original** all weather paving joint compound that goes in fine, rain or shine

12.5kg tub

Choice of colours:

- Mushroom 30.00
- Buff Sand 30.00
- Stone Grey 30.00
- Basalt 33.00
- Jet Black 33.00

## £38.50 EASYSeal SSP

A cost effective stone sealant and protector, ideal for natural stone and concrete paving

### STONE SEALER & PROTECTOR PROFESSIONAL GRADE

**Penetrates, seals and protects**  
**Virtually invisible**  
**Allows the stone to 'breathe'**  
**Good oil and water repellent**  
**Anti-stain properties**  
**Anti-graffiti properties**  
**Resists general dirt and grime**  
**Impedes moss and fungal growth**  
**Pressure washer resistant**

- Uses the latest fluorinated polymer technology
- Can be applied to damp surfaces
- Designed for use on natural stone but equally effective on concrete
- Does not form a "skin" on the surface
- Does not change the appearance of the substrate
- Effective oil and water resistance
- Protects the surface from a variety of other staining substances
- Resists the build-up of Algae, Moss and Lichen
- Resists general dirt and grime
- Simply apply to the surface with a roller or low pressure garden spray
- Coverage: one coat - up to 40m<sup>2</sup> depending on porosity

## EASYSeal BCS

A high grade water based block and concrete sealer and sand binder, ideal for all block driveways and concrete paving

### BLOCK & CONCRETE SEALER PROFESSIONAL GRADE

**Suitable for interlocking concrete and clay blocks**

**Can be applied on damp surfaces**

**Long lasting wear resistant coating**

**Impedes algae and lichen growth**

**Excellent oil and water repellent**

**Strong stain resistant properties**

**Resists general dirt and grime**

**Non solvent**

- Uses the latest polymer technology
- A very effective sealer and sand binder
- Bonds the blocks together
- Prevents weeds growing through the joints
- Very effective oil and water resistance
- Protects the surface from a variety of other staining substances
- Simply apply to the surface with a roller
- Coverage:  
1st coat - 3-4m<sup>2</sup> per litre  
2nd coat - 6m<sup>2</sup> per litre

£48.50

# Block paving & concrete sealer

5ltr bottle  
20ltr bottle

25.00  
92.00

- Effective water based acrylic sealer and protector
- Ideal for concrete paving and concrete interlocking blocks
- Shares many protective qualities of BCS but delivers them in a different way
- Very affordable and available in a 5 & 20 litre bottle
- Impedes Algae and Lichen growth
- Excellent oil and water repellent
- Stain resistant properties
- Hard wearing

# Suitable for all types of porous Natural Stone

2 in 1 combination Colour Enhancer and Protector

Put life into your paths, patios and drives.

- Easy to use
- Safe to use on all natural stone
- Professional grade
- Enriches and enhances the natural stone colour
- No false shiny finish
- Protective ingredients built in
- Resists staining

5ltr bottle

43.50

# EASY ClickBase

Immensely strong, Extremely light, Amazingly versatile, Highly portable.

EASYClickBase can be used in conjunction with any regulated depth of surface paving, including concrete, natural stone and porcelain products.

The unique design and strength makes it suitable for virtually any application.

per m<sup>2</sup> 34.00

# Slate & Limestone reviver

- For use on ALL slate and limestone paving
- Enriches and stabilises colour, especially black
- Clear protective seal against water, oil, grease and stains
- Resists Algae build up

GREY  
BASALT

17KG 65.00

**FULL RANGE OF CLEANING PRODUCTS IN STORE**

B & M Concrete Ltd cannot be held responsible for the phenomenon of efflorescence inherent in all top quality products with high cement content. This will generally weather off in the course of time.

It is essential that patio slabs are layed with a permeable base and a fall to allow water to drain.

#### Natural Stone Products

Natural Stone is a natural product and therefore can exhibit surface staining. Best laid on a well drained sub-base to avoid moisture retention that can be associated with natural stone products. Moisture retention will not affect the long term durability and performance of the product, but can result in random dark patches. B&M Concrete can not be held responsible for moisture retention on natural stone products.

Salt based products must not be used to clear ice from decorative paving. No responsibility can be accepted for damage caused by its use.

NO RESPONSIBILITY WILL BE ACCEPTED FOR ANY DAMAGE CAUSED TO CUSTOMERS PROPERTY IF OUR VEHICLES ARE ORDERED OFF THE PUBLIC ROAD. IF COUNCIL PERMISSION IS REQUIRED TO OFFLOAD ONTO THE PUBLIC HIGHWAY OR FOOTPATHS IT IS ENTIRELY THE RESPONSIBILITY OF THE PERSON PLACING THE ORDER TO OBTAIN THIS PERMISSION. ALL NECESSARY PERMISSIONS HAVE TO BE SOUGHT AND OBTAINED BEFORE THE ORDER IS PLACED.

#### TERMS & CONDITIONS

All goods remain the property of B & M Concrete Ltd. until paid for in full.

#### Wooden Materials

The Company cannot accept responsibility for wooden panels or posts which warp or twist during periods of hot and dry weather. This can usually be avoided by spraying panels with water, or plan to do this in wetter months and not during summer months.

## **B & M Concrete Ltd.**

Company Registration No: 4722819
